

WHAT JSX WORKERS DESERVE: A Strong Voice, a Fair Contract, And Real Respect

A union contract would establish the protections, standards, and fairness JSX workers deserve on the job.

An IAM Union Contract Would Provide:

Stronger Seniority Protections

Improved seniority rules that recognize experience and provide greater job security.

Fair Transfer Opportunities

Qualified JSX workers prioritized for transfer opportunities before outside applicants are considered.

Predictable Scheduling and Fair Workplace Standards

Clear scheduling rules that respect bidding rights, reduce last-minute changes, and help prevent favoritism or inconsistent decision-making.

Transparent PTO Policies

Fair, consistent, and clearly communicated standards for requesting and approving paid time off.

Better Overtime Protections

Improved overtime rules, fair premium pay, and compensation that respects workers' time.

Affordable, Accessible Healthcare

Quality healthcare benefits that are affordable and accessible for all workers.

JSX Workers Keep the Company Moving.

A union contract would help ensure fairness, accountability, stability, and a real voice on the job.
